for Children Who are Medically Fragile and Technology Dependent

If your child is in the MFTD Waiver, also called the DSCC Waiver or the Home Care Program, your child may lose his/her nursing care.

Illinois is in the process of restructuring the MFTD Waiver. Children may lose eligibility for the program if they fall into one of the following categories:

- **Families who earn more than 500% of the poverty line (\$95,450 for a family of 3)**
- **Children who have a Hospital level of care**
- **Children who receive more than \$14,785 worth of nursing care per month (more than 60 hours a week)**
